

## Our mission is to make your days colorful.

Founded in 2005 by designers Isabel Vaz and Nuno Dias, PUKACA is a creative haven where artistry meets imagination.

What began as a passion project has evolved into a vibrant company dedicated to crafting captivating Paper Toys and Paper products that inspire creativity and joy.

PUKACA believes in the principle that the difference enriches us.

It's important to have toys that raise creativity, provide new experiences, highlight the human individuality and allow interactivity with others.

They aim to enhance in the child, or in whom handles them, an active and creative intervention.

Join us on our colorful journey at PUKACA, where every day is an opportunity to unleash your imagination and explore the wonders of creativity!

For more information, please visit our website at [www.pukaca.com](http://www.pukaca.com) or send us an email to [info@pukaca.com](mailto:info@pukaca.com)

At PUKACA, our commitment to quality, sustainability and innovation is at the core of everything we do.

We prioritize eco-friendly practices, using only 100% recycled paper sourced from certified suppliers, ensuring that our creations leave a minimal environmental footprint.

Rigorously tested to meet international safety standards, our products provide peace of mind for both children and adults alike.

## VALUES

### The pleasure of constructing your own toys.

In a world full with technology, our Paper Toys reintroduce the simple pleasure of constructing your own toys.

Designed to be assembled by hand, they promote manual dexterity and spatial perception.

We believe that building and playing with our toys fosters meaningful interactions among families and across generations.

It satisfies the innate desire to see creations come to life, to learn through hands-on experience, and to share in the joy of play.

Our toys are authentic, encouraging active and creative engagement in children and adults alike.

# CERTIFICATION

## Quality control tested.

With the world, especially our oceans, becoming increasingly polluted with plastics, it's our responsibility to take action.

That's why we've completely redesigned our range to eliminate plastic, and we're proud to say that our Paper Toys are now 100% plastic-free.

Our Paper Toys are packed in a 100% Recycled Paper envelope and sealed with a paper sticker.

Tests made to our Paper Toys by SGS certified that they are compliant with: **EN 71-1** (2014), **EN 71-2:2011 + A1:2014**, **EN 71-3/A1:2014**, **Şand 94/62/EC Directive** - 2007-1467 Decree. (Heavy metal absence in the Packaging).

PUKACA chooses to design products in which we control all the manufacturing process and the raw materials used.

All of our products are designed, printed and assembled in our facilities in Seixal - Portugal, Europe.

From the very beginning we decided that our products should be made with 100% Recycled Paper only, from 100% de-inked recycled fibres.

Our products are made with a 100% Recycled Paper from certified FSC suppliers, with Blue Angel certification, EU Ecolabel, REACH Compliant, Free from Heavy Metals and this paper complies with EU's Toy Safety norm EN 71-3.
